Why Connect?

Close family members often take on the role of caregiver as the condition progresses, sometimes changing the dynamic of relationships. You are not alone. Parkinson's WA aims to focus on the partner/carer as much as the person with Parkinson's – it is a journey you take together. Living with Parkinson's is hard - let's talk about it. We're with you.

Cost:

Morning tea provided at no cost to attendees.

RSVP:

By Thursday 12th October 2023 to info@parkinsonswa.org.au or (08) 6457 7373
